

## Join the 1878 Society and the PPA Student Pharmacists that support PharmPAC!

The 1878 Society is a special, student-only, way to contribute to PharmPAC - the affiliated political action committee of the Pennsylvania Pharmacists Association. We are asking that students contribute a minimum of \$18.78 to PharmPAC and your name will be added to a special 1878 Society category on the annual PharmPAC report. This symbolic contribution shows your commitment to PPA and to the pharmacy profession, past, present, and into the future, as 1878 marks the founding year of PPA.

Based on a one-time contribution during their time in pharmacy school - students will be recognized as 1878 Society Club members if they contribute \$18.78 or more! **\$18.78 = 1878 Society Member!**
