- \$33K Contributions to Lawmakers
- 35 Fundraisers Attended

2024 ANNUAL REPORT

Legislative Support for Pharmacy Issues

There were 89 members of the PA Community Pharmacy Caucus, a bipartisan alliance of legislators who advocate for and support the important role community pharmacies play in providing for the health and wellness of patients throughout the Commonwealth.

Chairperson Report

Fellow PPA members,

Two thousand and twenty-four was a monumental year for pharmacy in Pennsylvania! With Medicaid Provider Status achieved and the successful passage of HB 1993, we've made incredible strides in advancing our profession and enhancing patient care. As Chairperson of PharmPAC, I want to extend my heartfelt gratitude to all our donors—your contributions made these achievements possible.

PharmPAC exists to advocate for policies and initiatives that empower pharmacists and improve the health and well-being of Pennsylvanians. The evolving healthcare landscape underscores the critical role pharmacists play—not just as medication experts but as essential healthcare providers, advocates, and community partners.

As we continue in 2025, our work is far from over. Let's build on our successes and continue engaging with legislators to strengthen our voice and impact. I invite you to join us in Harrisburg on April 7, 2025, for our annual Legislative Day at the Capitol. Together, we can champion positive change and build a healthier, more resilient Pennsylvania.

Finally, I'd like to issue a call to action. To those who have supported PharmPAC in the past—thank you! Your generosity drives our mission. To those who have yet to contribute, I encourage you to join us. No amount is too small, and every dollar supports our shared goals. Please visit our [donation page](#) or complete a printed donation form to make your contribution today.

Thank you for your commitment, passion, and partnership. Together, we'll make 2025 another banner year for pharmacy!

With gratitude,

Molly Beimel, Pharm.D.
PharmPAC Chairperson
